# School Safety Assessments

Contact CES  
for a free quote!  
[info@moces.org](mailto:info@moces.org)

*Provide a safer environment for  
students, staff and  
the community.*

A School Safety Assessment will:

- ❗ Identify existing security conditions in over 30 focus areas.
- ❗ Include input from local safety & security community.
- ❗ Be a strategic planning guide for prioritizing needs to bolster risk management planning and engage the public.
