

Nepotism and Conflict of Interest Rules for School Boards

This online video series is designed to help school boards and superintendents become familiar with the nepotism law and conflict of interest rules that impact school board members. The series addresses:

- Rules on Nepotism
- Personal Financial Disclosure Statements
- Board Members Providing Services, Real Estate or Products to the District
- Other Violations
- Penalties

Board members and the superintendent may view the videos independently at any time or as a group. The entire series can be viewed in segments or in its entirety.

Complete the registration form below. Login credentials will be sent directly to each individual enrolled.
