Missouri School Boards' Association

2019-2020 ASSOCIATE MEMBERS Program

Together we can enhance
learning opportunities for
Missouri students.

Join us at **MSBA**

Melissa K. Randol,
Executive Director

Extraordinary things are happening in Missouri's public schools and you have the opportunity to offer the kind of support and resources those schools need to continue providing innovative programs for their students!

As an Associate Member you will gain a greater understanding of the issues facing our schools through regular communications regarding current issues in education and opportunities to participate alongside our general membership in conferences and events throughout the year.

Additionally, through participation in MSBA's Associate Member Program you are investing in Missouri's children by ensuring their school board members have the tools they need to provide high quality leadership to Missouri's school systems. With your help, Missouri is in the top 10 in the country in graduation rates and we are ensuring our graduates have the skills they need to be successful in an ever-changing environment. Extraordinary is the ordinary in Missouri's public schools.

I encourage you to join the thousands of school board members in our state as we work together on behalf of Missouri's 900,000 public school students!

Melissa K. Randol

Why work with **MSBA**

MSBA member districts represent over 90% of the Missouri public school students and education leaders who are the key decision makers in selecting services for Missouri's education system.

They have a staggering number of responsibilities with over:

- 1,000 buildings
- 100,000 employees
- 1,000,000 students & parents

You are encouraged to enjoy the exclusive privileges of the MSBA Associate Members Program as you increase your exposure and invest in Missouri's public education.

Support Missouri's Students

Missouri's public school students need you! Associate Members' support MSBA's advocacy for a quality public education system that gives all students the tools they need to be college and career ready upon graduation.
