You will be listed in the COSA directory, which will be posted on MSBA's website and distributed to Missouri school board members and school administrators.

To be listed in the printed directory, MSBA must receive your registration by June 30, 2020.

Professional Development

You are cordially invited to register for the Annual Missouri COSA Meeting Friday, September 25, 2020, in Kansas City, Missouri. Attendees will enjoy presentations on education law topics and have an opportunity to discuss hot legal issues with attorneys representing school districts across the state for approximately 4 CLE credits. Only member attorneys may attend this meeting.

The Missouri School Boards' Association's Council of School Attorneys (COSA) is the only professional development association in Missouri created exclusively for attorneys representing public school districts.

Over 90 attorneys belong to the Missouri COSA chapter and the organization continues to grow as federal and state laws governing school district operations increase.

By establishing and maintaining COSA, MSBA serves its member school districts by providing them access to knowledgeable attorneys familiar with school law.

To be a member of COSA, you must represent at least one Missouri public school district.

COSA members will receive the resources to develop their practices locally and stay current on national issues.
