

MSBA's ASSOCIATE MEMBERS & PARTNERS

Join us at **MSBA**

Melissa K. Randol,
Executive Director

Missouri's public schools' "M.O." or mode of operation is to put our children first. In spite of the challenges created by COVID-19, Missouri's school leaders, educators and staff stepped up to educate our children in alternative settings, feed our children in need and deliver other necessary services to protect our students.

MSBA's Associate Member Program allows you to connect with Missouri's school leaders to gain a greater understanding of the issues facing our schools through regular communications regarding current issues in education and opportunities to participate alongside educational leaders in events throughout the year. Likewise, you will have the opportunity to share your insight and offerings that help educators continue to meet the needs of all students.

Through participation in MSBA's Associate Member Program, you are investing in Missouri's children by ensuring their school board members have the tools they need to provide high quality leadership to Missouri's school systems. With your help, Missouri is in the top 10 in the country in graduation rates (in fact, 74 schools had 100% graduation rate last year) and we are ensuring our graduates have the skills they need to be successful in an ever-changing environment.

I encourage you to join the thousands of school board members in Missouri as we work together on behalf of over 900,000 public school students. With your support, we will continue to ensure that all students succeed!

Support Missouri's Students

Missouri's public school students need you! Associate Members' support MSBA's advocacy for a quality public education system that gives all students the tools they need to be college and career ready upon graduation.

Why work with **MSBA**

MSBA member districts represent over 90% of the Missouri public school students and education leaders who are the key decision makers in selecting services for Missouri's education system.

They have a staggering number of responsibilities with over:

- 1,000 buildings
- 100,000 employees
- 1,000,000 students & parents

You are encouraged to enjoy the exclusive privileges of the MSBA Associate Members Program as you increase your exposure and invest in Missouri's public education.
