Teachers may receive extra incentives for special subject matter combinations needed by our school with board of education approval.

Prior teaching experience from accredited K-12 school districts for salary schedule purposes may be accepted under the following conditions: all full time experience in other public school systems will be allowed with the discretion of the superintendent.

Hours for advancement will be based on total hours on transcript filed with the Superintendent's office by Sept. 1st of each school year. It is the responsibility of the teacher to see that this is done. Only 500 and 600 level graduate courses will be allowed to receive the Masters +8 credit.

Tuition stipend for certified full-time staff members who have completed at least 1 year of teaching in the district and have signed a contract to continue with the district will be available. The stipend will be \$600 for graduate credit of 6 hours per fiscal year. Stipend may be prorated should a staff member enroll in less than 6 hours, with a minimum of 2 credit hours. University documentation of graduate credit must be presented prior to payment of stipend.
