**School Board Recognition Week  
To Be Observed March 6-12, 2022**

Missourians benefit every day from the dedicated energies and countless hours devoted by a group of more than 3,600 men and women in every community across the state. These public servants are elected by local constituents and do not receive compensation for their tireless efforts.

These men and women are the local school board members of Missouri. During the week of March 6-12 communities across the state will honor the dedicated service of local boards of education during School Board Recognition Week. The goal is to build awareness and understanding of the important function an elected board of education plays in communities and schools. All Missouri citizens are asked to recognize the important contributions of these community members and focus attention on the vital role these public officials play in the education of Missouri's children.

School Board Recognition Week is sponsored by the Missouri School Boards' Association. MSBA is a not-for-profit organization that exists to help school boards ensure all students succeed.
